Project Description:

It's like getting a tree in an instant when you create this project using stamps, Foundations and Stroke & Coat.

Designer: Marcia Roullard

Project Time Span: 1 hour

Skill Level: Basic

Instructions: Project instructions below. Mayco encourages you to vary colors, patterns and techniques to create your own designs.

1. Begin with properly fired shelf cone 04 [Bisque](#). Moisten a clean [Sponge](#) and wipe [Bisque](#) to remove any dust.
2. Using a CB-604 # 4 Soft Fan, apply 2-3 [Coats](#) of FN-001 White to the trees only.
3. Using a CB-604 # 4 Soft Fan, apply 3 [Coats](#) of SC-74 Hot Tamale to the base of the trees.
4. Using the AC-213 [Sponge](#) on a Stick, load the [Sponge](#) with SC-36 Irish Luck. Tap the SC-36 Irish Luck onto the ST-107 Holly Border Stamp then press the stamp gently onto the Large Cone Tree. Continue stamping around the piece. Allow to dry.
5. Using the AC-213 [Sponge](#) on a Stick, load the [Sponge](#) with SC-36 Irish Luck. Tap the SC-36 Irish Luck onto the ST-113 Circulate Stamp then press the stamp gently onto the Small Cone Tree. Continue stamping around the piece. Allow to dry.

6. Using a CB-110 # 10/0 Liner, touch up any missed spots on the stamped areas.
 7. Using a CB-106 # 6 Script Liner, apply 1 coat of SC-74 Hot Tamale to some of the circles on the small tree (refer to photo).
 8. Using the end of a brush handle, dot the holly berries with 1 coat of SC-74 Hot Tamale. Allow to dry.
 9. Stilt and fire to shelf cone O6.
